Rejection Over a Pending "Reference" Application**

The owner, **Emcore Corporation**, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of any patent granted on pending reference Application Number 10/336,247, filed on January 3, 2003, and Application Number 10/773,243, filed on February 6, 2004 as such term is defined in 35 U.S.C. §§ 154 and 173, and as the term of any patent granted on said reference applications may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference applications. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.
